1. <sup>1</sup>Lis - ten to my prayer, O God, And do not ig - nore my plea;  
2. <sup>2</sup>Cast your cares up - on the Lord; He'll sus - tain you when you call.

<sup>2</sup>Hear and an - swer, for my thoughts do dis - may and trou - ble me,  
He will ev - er keep His word, Nev - er let the right - eous fall.

<sup>3</sup>At the voice of en - e - mies, At the stares of wick - ed ones;  
<sup>23</sup>But God, You will act al - ways to bring wick - ed ones their due;

They bring suff'r - ing down on me, Their sharp taunt is nev - er done.  
They won't live out half their days, As for me, I trust in You.
